### **School Day**

The school day for students begins at 8:20 a.m. and ends at 3:30 p.m. Encore (tutoring) will be provided each day from 8:00 to 8:20 a.m. Students are not permitted to loiter near buildings or streets after arriving on campus. Except for meetings, games or programs about which parents have been notified, no student shall stay at school after it is dismissed. No staff member will be on duty before 7:50 a.m. **Since there will be no teachers on duty after buses leave on their route after school, the school will not be responsible for them.**

### **Parking**

All students will provide tag, insurance verification, and a copy of your driver's license to the office at the beginning of each school year. You must notify the H.S. office if a different vehicle, other than the one registered, is driven to school. Insurance information will be updated yearly.

### **Attendance and Admits**

A student (K-12) shall not have more than ten (10) absences per class semester. Any absence over ten (10) must be approved by the local board of education in order to receive credit, or be promoted. Any student on an approved transfer, emergency or open, could have their transfer cancelled due to 10 or more absences during a semester. Students absent for four or more days or parts of days within a four-week period, or nine or more days or parts of days within a semester; the principal shall notify the parent, guardian or custodian of the child and immediately report such absences to the district attorney in the county where in the school is located for juvenile proceedings pursuant to title 10 of the Oklahoma statues. (70 O.S. 10-106; S.L.O. s 232). However, when he/she must be absent from school he/she should have his/her parents/guardians call the school the day he/she is absent. Students must also be present for three (3) class periods of the day of the activity to be eligible to participate in that activity. Three (3) tardies in a class will be counted as one absence in grades 3-12. Tardies will be accumulated throughout each semester. A student missing more than one half (1/2) of any class will be counted absent rather than tardy in grades 7-12. Any parent or guardian who neglects or refuses to compel their child to attend school will be referred to the Stephens or Comanche County District Attorney. (70 O.S. s 10-10-105; S.L.O.s229).

The interstate compact on Educational Opportunities for Military Children provides that a student shall be granted additional excused absences at the discretion of the local school

superintendent or building principal with his or her parent/legal guardian relative to such leave or deployment of the parent/legal guardian.

### **Activity Eligibility**

A student who has not attended classes ninety percent of the time for the semester in a member school becomes ineligible. Exceptions may be made by the principal due to illness, injury, or death in the immediate family, valid reasons for late enrollment, or late with the beginning attendance. (O.S.S.A.A. Rule 2).

### **Activity Absences (10 Day)**

A student shall not be absent for activities from any class period more than ten (10) days in one school year. The following activities are exempt: State & National levels of school sponsored competitions which have the approval of the board; field trips; interscholastic meets; serving as a page in the State Legislature; and school assemblies. No student may take an activity absence beyond ten (10) days unless the absence had been pre-approved by the board. Absence taken beyond ten (10) days without board approval will be unexcused absences. The board will not approve absences beyond 10 days that have been taken without pre-approval from the board. (The board reviews activity absence requests at regular monthly meetings).

**State Attendance Law – H.B. 2055** – *After ten (10) consecutive days of unexcused absences, a student will be dropped from the attendance roster. Consecutive days are days for which attendance is recorded.*

### **Class Admits**

Class admits must be picked up at the principal's office before the class takes up at 8:30 a.m. Any student who misses school for any reason will be required to obtain an admit before being readmitted to class upon their return.

### **Make Up of Missed Assignments**

It is the student's responsibility to make up all assignments, projects, and tests he/she missed during his/her absence. Early dismissal or late arrival could prevent students from receiving perfect attendance. Students that are absent from school for any reason will be allotted a specific amount of time to turn in and make up classroom assignments, tests, etc. If the test was announced or the assignment made before the absence, it will be made up on the first day back. If the assignment was given on the day of the absence, it will be made up on the second day back. If a student is absent multiple days, assignments made during the absence will be made up within the same number of days missed after the first day back. Students, who know ahead of time that they are going to be gone from school for a school activity, need to gather their assignments from their teachers before the school activity occurs. Instructors will have a sheet for the students to take around to the teachers so that the instructor will know of the school activity that is to take place and when. After the allotted number of days has passed, a grade of zero (0) will be recorded and the make-up opportunity is over.

### **College Visit Days**

Seniors will be granted two (2) days of absence to attend college campuses of their choice. Juniors will be granted one (1) day of absences to attend college campuses of their choice. These days will not be counted against the 90% rule, however, they will be counted as part of the 10-day activity rule. You will be responsible for making up your own work on these days missed.

### **Early Dismissal**

Any student, who needs to be dismissed from school early, shall be checked out through the principal's office before the teacher will dismiss that child from class.

### **Skipping School**

Students who are absent from school without a legitimate excuse as verified by parents and accepted by the principal, will be considered skipping school. Students who leave school without permission shall be considered to be skipping school. Students who are skipping school will receive disciplinary action, and will not be allowed to make up their work.

### **Visitors**

All visitors to the Central High campus must check in at the appropriate school office, at which time they will receive a visitor's pass. Visitors will not be permitted to loiter on the school campus or in school buildings without a pass. Visitors must sign out before leaving campus. Parents are to schedule conferences in advance at times convenient for both teachers and parents. Conferences will be scheduled at such times they do not interrupt or interfere with a teacher's class. Students are not permitted to have visitors during the day. This policy is to help insure the safety of our students.

### **Withdrawal of Students**

All student withdrawing from school should make arrangements through the principal's office. All textbooks, library books, band instruments, athletic equipment and uniforms, lunch payments, and fines must be cleared before the student secures a transfer record to another school.

### **Illness or Injury at School**

If a student is injured or becomes ill at school, he/she is to report to his/her teacher and ask for a pass to go to the principal's office. If necessary, we will try to contact his/her parents. All students, who are injured or becomes ill, must check out through the office before leaving school.

## **Medication**

Students needing medication while at school must have a statement of permission signed by the parent/guardian. A labeled bottle with student's name and dosage is required and will be left in the school office. Remember that it is necessary that we know where to reach you at all times at home and at work.

No Central High staff member may issue any medication to any student unless there is a statement of permission signed by the parent/guardian filed in the office. If the parent anticipates that the student will need medication and sends some with the student, the medication will be left in the school office until medication time.

## **Elementary School Parties (Pre/K - 6)**

There will be not more than three (3) holiday parties in the classroom each year. These are Christmas, Valentine's Day, and Easter. End of the year parties will be left up to the teacher's discretion. All parties will have the right of refusal by the principal. There will be no birthday parties at school. Children shall not distribute invitations at school unless enough invitations are provided for every student in the class. All invitations must be turned into the teacher at the beginning of the day to be distributed by the teacher at the end of the day.

All students participating in athletics are required to be insured. Parents of student not purchasing school accident insurance must sign a waiver stating that they carry their own health insurance before the student will be allowed to participate in athletics.

## **Conduct and Courtesy at School**

Courtesy and good manners should be the key to a students conduct at school. A good attitude toward teachers and fellow students will make school enjoyable for all. Students are expected to have respect for school property and to take good care of books, desks, and other property and equipment. Any student caught destructing, vandalizing, or placing purposed graffiti on school property will miss a class other then Reading, Math, English, Science, or Social Studies in order that he/she can provide assistance in cleaning or fixing that which they have done.

## **Discipline**

To guarantee a good social education climate, it is important that all students understand that acceptable standards of behavior will be accepted at all times. Discipline will be administered when any individual's actions interfere with the right of the teachers to teach and students to learn. Teachers and administrators have the right, when necessary, to interview and discipline children. Oklahoma State Law protects this right.

## **Searches**

School personnel shall have access to school lockers, desks, and other school property in order to properly supervise the welfare of pupils. School lockers, desks, and other areas of school facilities may be opened and examined by school officials at any time and no reason shall be necessary for such search. Schools shall inform pupils in the student discipline code that they have no reasonable expectation of privacy rights towards school officials in school lockers, desks, or other school property. (70 O.S. s24-103, S.L.O.s 489). Students who drive automobiles onto school property subject the automobile to a search upon "reasonable suspicion". The alert by a drug interdiction canine is considered an example of reasonable suspicion.

## **Lockers and School Property**

Lockers are the property of the school and are assigned to the students for their use. Students hold neither expectation of privacy in their lockers nor other school property. Students are to use their assigned locker only. Students leave articles of value in lockers at their own risk. School officials have the authority to search all school property (including lockers) at any time without notice, and to seize any property prohibited by law or school policy. The search shall be conducted by a person of the same sex as the person being searched and shall be witnessed by at least one other authorized person, said person to be of the same sex if practicable. The extent of the search must be reasonably related to the objective of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction.

## **Drug Search**

Throughout the school year drug dogs will be used to search for illegal drugs. A random search of all or part of any school building or room may be done at any time by the local authorities. This may include student's lockers or cars. If drugs are found on school grounds or in the possession of students, the student will be turned over to the local police who will follow and enforce the state law.

## **Vehicles on School Property**

All vehicles on school grounds are subject to search by school officials, or drug dogs and their handlers under supervision of school officials, and/or law enforcement personnel.

## **Weapons Free School**

It is the policy of the Central High School District to fully comply with the Federal Weapons Free School Act. *It is unlawful for any person to possess any firearm or weapon on school property or while in any school bus or vehicle used by any school transportation. A gun or knife designed for hunting or fishing purposes kept in a privately owned vehicle pursuant to a valid handgun license is not a violation provided such vehicle containing said gun or knife is driven onto school property only to transport a student to and from school and such vehicle does not remain unattended on school property. A school administrator may authorize firearms or other weapons to be brought onto school property and used in an Oklahoma Department of wildlife certified hunter training education course or any other hunting, safety or firearms training courses.* (210.S s1289.1 C; S.L.O. s1031). ## **Corporal Punishment**

Corporal punishment is not prohibited by the board of education, and may be used as a form of punishment if deemed necessary by the teacher and/or principal. Any corporal punishment administered will be done in the presence of an adult witness. If a parent wishes for their child
