

Central High Public Schools Internet Acceptable Use Policy

User Agreement

The following is a legally binding document. Please read carefully before signing.

Introduction

The internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. The board of education believes that the use of the internet will further the education at Central High Public Schools by promoting the exchange of information and ideas. For that reason the school district has made internet available to staff and students.

Acceptable Use

Since the internet constitutes an unregulated collection of educational resources which change constantly, it is not possible to predict or control exactly what resources users may locate. The school district makes no guarantees of accuracy of the information or the appropriateness of materials which a user may encounter. Students and other users will refrain from intentionally accessing and downloading any text, picture, or on-line conferencing that includes material which is considered to be obscene, libelous, indecent, vulgar, profane, or lewd; advertises and product or service to minors prohibited by law; presents clear and present danger; or will cause the commission of unlawful acts or violation of lawful school regulations.

Privileges

The use of the Internet is a PRIVILEGE, not a right! Violation of the Internet Acceptable Use Policy will result in forfeiture of all Internet user privileges. Violators of the Internet Acceptance Policy will result in forfeiture of all Internet user privileges. Violators shall also be subject to appropriate disciplinary action.
