To Parents/Guardians of Central High Public Schools

This letter is to all parents/guardians of students enrolled at Central High High School. It is the intent of the district to have students enrolled in the 11th grade (juniors) complete the ACT exam in the spring of 2020 as part of the Career and College Readiness Assessment as guided by the State of Oklahoma in compliance with Section 1111(b)(2)(H) of *ESSA*. Central High School would like to provide community stakeholders with an opportunity to provide meaningful input regarding our district's intent to request permission to administer the ACT in lieu of the statewide assessment.

A link on the school website, <https://forms.gle/A9FcHvZQsWyo7AABA> has been provided for parents/guardians as well as other stakeholders to leave valuable feedback for district personnel. This choice of offering students the opportunity to take the ACT exam replaces End-of-the-Year instruction for the 11th grade in multiple subjects including, but not limited to, English, math, science, writing, and reading. It limits the amount of state testing for this grade level while offering meaningful academic feedback for teachers, students, and parents/guardians.

Central High Public Schools asks that parents/guardians please take a moment to answer a three-question survey in regard to this intent.

Thank you,

Wendy M. DeIorio
