Class Grades

These assessments assist in diagnosis, teaching, and learning in the classroom in ways that best enable low achieving children served under this plan to meet academic achievement standards and to do well in our curriculum.

The following indicators will be used in addition to the academic indicators listed above:

Staff observation
Student Surveys
Attendance data
Teacher/Parent consultations and surveys
Discipline referral
Counselor reports
Promotion, retention, and graduation rates
Student honors and awards

Assistance provided:

Assistance will be provided to any student that demonstrates a need for assistance by classroom performance, through diagnostic or state mandated testing, or through the other indicators listed above. Before and after school assistance will be provided as needed by all certified personnel in the areas of Math and Reading. We also provide all day Kindergarten and all day Pre-K programs. This site has no identified LEP, migrant or delinquent, homeless or immigrant children.

Professional Development:

Central High will provide high quality research based professional development that will improve the teaching of the academic subjects. Professional development is being provided in the area of teaching Oklahoma Academic Standards and analyzing and desegregating data.

Parental Involvement:

The elementary has a parent/teacher organization, along with conference and compacts. The elementary parents have access to a school website and monthly school newsletter. Parent volunteers also help with reading activities in the library and various classroom activities.

Annual Review:

The Title I committee will meet annually do discuss and review the site plan and recommend changes if needed.
